

## COVID-19 UPDATE

We have served the Town of Lindsay and the surrounding area since 1928. During those years, there have been many conflicts and challenges that we have faced with our community. We are confident that our Community will emerge from this current challenge as well.

La Mantia's is committed to protecting and promoting the health and safety of our dedicated staff members and customers. We are closely monitoring the situation and following the advice of public health authorities to establish best practices, minimize the risk of exposure and provide uninterrupted service to our customers and the community.

In order to protect our valued customers and our staff, we are instituting a number of changes to our operations for the foreseeable future:

- **Effective Wednesday, March 18th, our store will be opening to the general public at 11:00 A.M. and closing at 6:00 P.M. from Monday to Saturday. This later opening time will provide us with an opportunity to stock our store prior to opening.**
- **We will be open from 10am to 11am exclusively for seniors (65+) and those who are immune compromised.**
- **Our store will be closed on Sundays to allow staff to have a day of rest.**
- **Self-serve offerings, including salad bar and bakery bins, have been and will continue to be closed.**

From our customers, we ask that if you are feeling unwell, please stay at home and help us and our community stay safe and healthy. We ask that when in our store, you practice social distancing from others.

We will continue to monitor and evaluate the situation as it unfolds, and will take all necessary precautions to protect the health and safety of our staff, customers and the community in which we operate. While we are committed to providing the selection of products that you have come to expect, it is unlikely that every brand or product will be available going forward. Know that we are working tirelessly to get product onto the shelves.

Thank you to our team for your continued dedication and hard work. Thank you to our customers for your support during this time. If you have any questions or concerns regarding our response to this outbreak or how this will impact our service, please reach out to me.

**Sincerely,**

*David La Mantia*
